

AISHA FESOLA ONOLA

FOUNDER'S ASSOCIATE | BUSINESS OPERATIONS | EXECUTIVE SUPPORT

Lagos, Nigeria | contact@aishaonola.me | aishaonola.me

PROFESSIONAL SUMMARY

Founder's Associate and operations professional supporting executive priorities, cross-functional projects, research, stakeholder coordination, and day-to-day execution in remote startup environments. Experienced in turning loosely defined priorities into clear next steps, documentation, reports, and follow-through.

EXPERIENCE

HRA Systems | Founder's Associate | Remote **Nov 2025 - Present**

- Coordinate cross-functional projects across business operations and special initiatives, tracking timelines, deliverables, dependencies, and action items.
- Conduct market, competitor, vendor, event, and opportunity research; synthesize findings into briefing notes, reports, trackers, and recommendations for founder decision-making.
- Manage meeting and calendar coordination, stakeholder follow-ups, working documents, and next steps across multiple executive priorities.
- Build operational documentation and internal knowledge systems in Notion and Trello; support recruitment, candidate coordination, and onboarding workflows.

The OffScript | Founder & Editor | Remote **Jul 2026 - Present**

- Founded and operate an independent digital media publication for young Nigerians, growing it to 100+ subscribers within its first few weeks.
- Own end-to-end operations across research, writing, editing, publishing, email distribution, website management, audience tracking, and workflow planning.
- Lead audience-growth, partnership, and outreach initiatives across communities, events, media contacts, and direct outreach; use campaign data to guide distribution decisions.

Proten International | Outsourcing Intern | Hybrid **Jul 2025 - Oct 2025**

- Supported recruitment, onboarding, employee communication, workforce administration, and HR documentation using Zoho and SeamlessHR.
- Coordinated with internal teams and served as a point of contact for outsourced employees, resolving day-to-day operational issues and keeping onboarding processes moving.

Earlier Experience: Bosom Private School | Class Teacher **May 2024 - Apr 2025**
